

This writer as the Arkansas member of the legislative committee of the Southern Newspaper Publishers association made a forthright complaint to our delegation in congress against the original terms of Senate Bill 1081 which gave the President what we considered too arbitrary powers by the event of a national emergency.

As with previous emergency bills No. 1081 proposed to empower the President to make a swift freeze on prices, wages, and rents — but unlike the previous bills this one failed to establish the usual exceptions and guarantees against federal control for newspapers, magazines, and other communication media.

The point of our profession's argument was simply this: That there is no point whatever to fighting a war to save democracy at home while making the war effort.

A free press doesn't trust any man or government to the extent of agreeing to a law which would give some tin-horn federal bureaucrat the power of life or death over the nation's newspapers, magazines, and radio stations. The history of such laws is that whatever the pretext under which they are enacted they then become permanent, from speech and press vanishing, and nothing short of a revolution that pulls down the government can then restore the liberty which free men originally fought.

As an alternative America's free newspapers and magazines have practiced self-censorship successfully through two world wars, policing individual publications with a committee of their own trade's choosing.

Failure to leave the press and radio free in the original draft of Senate Bill 1081 was a menacing development, but I am happy to report that all finally turned out well.

Senator Price Daniel, Texas Democrat, led a fight which succeeded in amending the bill to exempt the communications industry from federal control, and the measure was passed in satisfactory form by the senate May 19.

92 Seniors Get Diplomas and Other Awards

Ninety-two members of the Hope High School senior class received diplomas last night in a ceremony which featured talks by honor grad James and an address by Dr. John T. Caldwell, president of the University of Arkansas.

Diplomas were awarded by Albert Graves, school board president, invocation was by Barksy Fulmer, organ solo by Jacques Williams and special music by Mrs. B. C. Hyatt.

Principal Joe Amour announced the following special awards: \$5 awards to Junior High student Ann Jo Hollis and Senior High student Gennie Herndon for best paragraph on "What My Parents Should Contribute to Our F.I.A."

Current Events award by Charles Palmer Davis went to 10th grader Vivian Ross while play cast awards went to Seniors Jacques Williams and Bobby Bruce and Juniors Paula Raley, Albert Graves and Kenneth Gilliam.

The Arkansas School Press Association award for headline writing went to Jacques Williams and original verse award was given to Audrey Light.

Dramatics awards went to Jimmy Mullins and Frances Weisenberger; homemaking recognition to Jan Moses and the Bausch & Lomb Co. science award to Robert Power and the National School Poetry Association's award for a poem went to Audrey Light.

Lion Oil Company merit awards essays went to Nell Cassidy and two to Ann Houston. They were for \$25 each. "I Dare You" books by William H. Danforth went to Jacques Williams and Billy Gentry while National Honor Society pins for outstanding service were given to Sue Smiley and Bert Chamberlain.

The Legion good citizenship awards went to Nelda Thompson and Weldon Tillery while the Outstanding Athlete trophy went to Bobby Bruce; VFW essay checks of \$25 each were given to Jacques Williams and Jan Moses and the DAR medal was presented to Ann Houston.

The yearbook recognition went to Nell Cassidy and Jacques Williams was the outstanding journalism student. For the first time the Irma Dean award for the outstanding student who has taken the greatest advantage of his opportunities and has shown greatest development and improvement was presented to Robert Power and the Beryl Henry plaque for the most outstanding student was presented to Nell Cassidy.

Salutatorian Billy Gentry was awarded for having the second highest grades; and Valedictorian awards went to Robert Power and Jan Moses.

Execution of Rosenbergs Set June 15

NEW YORK (AP) — Condemned atom spies Julius and Ethel Rosenberg were sentenced today to die in the Sing Sing prison electric chair the week of June 15.

This was the fourth time that Federal Judge Irving R. Kaufman had set the execution date amid a maze of legal defense maneuvers which are still continuing.

Defense counsel unsuccessfully sought to have Judge Kaufman postpone the setting of the date until next Monday.

The Rosenbergs were accused of conspiracy to pass atom bomb secrets to Soviet Russia. They are in Sing Sing death house.

Their attorney, Emanuel H. Bloch, was not in court today. His father, Alexander Bloch, also an attorney, represented the condemned couple.

Federal attorneys firmly opposed the defense move to delay setting of a date. After a brief verbal skirmish between Bloch and U. S. Attorney J. Edward Lumbard.

Judge Kaufman announced briskly that he was "going to act today, because the date I fix will be the same date, even if I did put it over to Monday. I have made up my mind."

"I then ask you to set the execution date for the first week in July," said Bloch.

"The date is June 15, Mr. Bloch," Kaufman replied.

Molotov May Get Little More Power

By THOMAS P. WHITNEY

MOSCOW (AP) — Western diplomats in Moscow said today they regarded replacement of military control by a civilian Soviet High Commissioner in East Germany as considerably strengthening the power of Foreign Minister V. M. Molotov.

He will now have, they said, direct and personal control of German affairs in the Soviet occupied zone. Previously these had been under the Defense Ministry and, indirectly, the whole Soviet government.

The Kremlin announced yesterday that V. S. Semenyov, one of this country's leading German experts, had been appointed Soviet High Commissioner for Germany. He will take over from Gen. Vasily Chuikov, chief of the Soviet Control Commission, who will now be limited to command of Soviet occupation forces.

Western observers here think it quiet possible that Chuikov will be recalled even from that post and given a new assignment in the Soviet Union.

The Patmos Seniors will play the Spring Hill seniors in a baseball game Sunday at 1 p.m. at Patmos. The second game of the doubleheader starts at 3 o'clock with the Patmos All-Stars playing a team from Hope.

Coronation Is a Strange Kind of Show, They Rehearse the Spectators and Participants

By HAL BOYLE

LONDON (AP) — Dear Frances, I know you are mad because I didn't bring you to the coronation, but there is a guy from Africa who's in a tougher spot than I am.

He has 60 wives and left 59 at home and brought one here. They say she's an interesting conversationalist. But I keep thinking of all the explaining he'll have to do when he gets back home. I heard he doesn't talk to his wives — he mimeographs them.

If I had 60 wives, my pet, you are the one I'd bring along, and let you address the postcards to all the jealous ones left behind. Wouldn't that be a woman's idea of a holiday?

Now about that coronation. . . London now looks like an old maid with a girl's heart, who pins a pink Tudor rose to her apron and hopes that the flower at least will be noticed.

I have never seen the British

Ceremony to Be Held for Memorial Day

A brief Memorial Day program with Chancery Judge James H. Pilkinton as the speaker will precede tonight's baseball game at Fair Park. Rev. S. A. Whitlow, pastor of the First Baptist Church, will lead the crowd in prayer. Playing of "Taps" by a member of the high school band will conclude the abbreviated ceremony.

Local officials of the American Legion Post pointed out that Memorial Day or Decoration Day, commemorating the memory of veterans who have sacrificed their lives in the wars of the nation, have long been observed by local veteran's organizations.

In previous years observance programs have been given on the lawn of the Hempstead County Courthouse and have been sparsely attended. The timeliness of the local baseball game tonight and the large crowd anticipated were the deciding factors in holding Memorial Day ceremonies along with the pre-game preliminaries.

Last GAR Vet to Observe Memorial Day

By HERB COLEMAN

DULUTH, Minn. (AP) — Albert Henry Woolson has his blue serge suit with brass buttons cleaned and pressed and the "GAR" on his uniform cap sparkles.

Saturday is the old soldier's 84th Memorial Day and the 106-year-old Civil War veteran will be the center of Duluth's observance of the day.

A busy schedule has been set for Woolson, who Saturday — for the first time — will note Memorial Day without a single comrade in the Grand Army of the Republic (GAR). The organization once numbered 408,489 members.

Named Vice Commander in Chief of the GAR at its last survivor, Woolson is the only survivor of the 2,695,000-man Union Army in the Civil War. James A. Hard, Rochester, N. Y., the only other Northern veteran, died March 12. Memorial Day was first officially observed in 1880 on the order of Gen. John A. Logan, GAR commander.

Woolson's self-designed GAR uniform came back from the cleaners Thursday.

Cattelman Gets 5 Year Sentence

BATESVILLE (AP) — Les Rutledge, 45-year-old Independence County cattelman was convicted of voluntary manslaughter last night in the Christmas Day feud slaying of a neighbor.

The jury fixed his punishment at five years imprisonment. Rutledge had pleaded innocent to a charge of first degree murder in the gun battle death of Joe Beel last Dec. 25.

The Independence Circuit Court jury, heard his trial and then deliberated about two hours and 40 minutes, reduced the charge.

Following the verdict, Judge Andrew Ponder warned against further violence in the Hutchinson Mountain area — where Beel was fatally shot. He urged persons with differences to settle them legally and "not take the law in their own hands."

Today, only about 12 per cent of U. S. automobiles sold are painted black although it formerly was a favorite color for cars and as late as 1948 was used on 25 per cent of the new cars.

Fayetteville to Graduate 570

FAYETTEVILLE (UP) — Approximately 570 students will receive their degrees at the spring commencement exercises at the University of Arkansas here.

The graduation ceremonies are scheduled for Saturday, June 6. Three other persons will receive honorary degrees and two will receive citations as distinguished alumni.

The degrees will be conferred by Henry Vocum, El Dorado, chairman of the university board of trustees, and the diplomas will be presented by Dr. John Tyler Caldwell, university president.

Dr. Matt Ellis, president of Hendrix College at Conway, will deliver the commencement address. Dr. Alvin N. Rogness, pastor of the First Lutheran Church in Sioux Falls, S. D., will deliver the baccalaureate sermon Friday, June 5.

Reds Known to Have Rejected One Big Point

By ROBERT B. TUCKMAN and BILL SHINN

MUNSAN (AP) — The Communists rejected outright at least one major reported concession of a new Allied truce plan submitted in secret sessions Monday at Panmunjom, it was disclosed today.

The plan had been called a "now-or-never" offer by many sources and the Reds had been expected to answer it at next Monday's meeting, first after a week-long recess.

The Communists turned down on the spot an Allied proposal that ultimate disposition of any Red prisoners who refuse to go home be left to the United Nations.

The Allies had insisted previously that these prisoners be freed if they still balk after a limited, post-armistice period of Red "explanations."

However, excerpts of Monday's meeting quoted North Korean Gen. Nam Il as saying the Reds won't accept either proposal. He made it clear the Communists don't like the new plan as the old one.

Some 48,500 prisoners in Allied camps have refused to go back to Communism. The Reds have proposed that the fate of those unmoved by "explanations" be left to a post-armistice political conference.

Nam said it is "inconceivable" that the Allies propose turning over any Red prisoners to the U. N. which he labeled "a belligerent itself."

It was obvious, however, that no final decision has been made in Communist capitals on the whole proposal. Not a word has come from Peking radio denouncing the Allied plan, which in the past always has been the case when the Reds prepared to reject an Allied offer. Peking has not even mentioned the new Allied plan since it was proposed last Monday.

Defense Team Likely to Be Confirmed

By EDWIN B. HAAKINSON

WASHINGTON (AP) — President Eisenhower's new team of defense chiefs appeared certain today of speedy Senate confirmation but Stumbles continued in Congress about cutbacks in Air Force funds and goals.

A unanimous vote of approval of the Senate Armed Services Committee, after relatively brief hearings, yesterday sent the nominations to the Senate for indicated easy confirmation, probably next Tuesday.

Adm. Arthur W. Radford, the first non-Army man selected as chairman of the Joint Chiefs of Staff, was hurrying back to the Pacific to wind up his duties as Navy commander in that theater.

"I was due in Formosa Monday but I probably can't reach there until Tuesday," he said, adding that he visited Formosa every six months just to check affairs. The island is headquarters for Chiang Kai-shek's Nationalist China forces.

Gen. Matthew B. Ridgway, who will take over as Army Chief of Staff, headed back for Europe even before the committee vote. As Supreme Allied Commander in Europe, Ridgway had appointments there and in Iceland before assuming his new post here.

Adm. Robert B. Carney, named as Chief of Naval Operations, and Gen. Nathan F. Twining, who will be Air Force Chief of Staff also shared the unanimous committee approval.

Over 2.3 Million Korean Casualties

UNITED NATIONS, N. Y. (AP) — Casualties in Korea have reached a total of 2,303,542 for both sides, a survey of official and estimated figures showed today.

The Korean War will be three years old next June 25 unless truce talks halt the fighting.

Official figures of U. N. losses furnished by the U. N. delegation sources, and estimates of the Communist losses made by U. N. Command sources provide the total in the periodic Associated Press casualty survey.

Many U. N. casualty figure cover the fighting through April and early May. Some are six months or more old. Estimates of Communist losses cover fighting through April 20.

Casualty figures for the blast wrecks boat, 18-year-old dies.

CAMDEN (UP) — Fire and an explosion wrecked a German cab in cruiser docked here yesterday and an 18-year old youth was burned fighting the flames.

A. P. Nussey, 18, was burned on the face and hands and was kicked off the boat onto the dock by the force of the blast.

Nussey discovered the fire which firemen said probably was caused by spontaneous combustion. They fought the blaze from other nearby boats.

The cruiser was owned by Maj. Norman Warnock, Camp Chaffee. He bought it while in Germany with the U. S. Army of occupation.

Proclamation

WHEREAS, the public schools of Hope have officially closed until next fall, and,

Whereas, the Municipal swimming pool is scheduled to open Saturday morning with all children admitted free for the first hour, and

Whereas, a parade by the youngsters of Hope through the downtown streets will be held at 9:30 a.m. Saturday, formally opening a recreational program to be carried out for our youth through the hot, summer months,

News Briefs

PINE BLUFF (AP) — Police said that a 29-year-old woman, raped in the Missouri Pacific yards here last Tuesday, identified a Negro suspect today as the man who attacked her.

Sheriff Allen Nixon and Police Chief Met Gulliglier said a warrant has been issued for the man's arrest. Police did not identify the suspect.

STAR CITY (AP) — Six railroad cars loaded with gravel were hurled into Bayou Bartholomew, six miles east of here, when a wooden railroad bridge collapsed last night.

No one was injured in the accident.

WASHINGTON (AP) — President Eisenhower says his proposed reorganization of the Defense Department would not result in a "single military commander with a super staff."

The re-organization would among other things strengthen the control of the chairman of the Joint Chiefs of Staff over military personnel assigned to the staff.

WASHINGTON (AP) — President Eisenhower will attend the Memorial Day exercises in Arlington National Cemetery tomorrow.

The White House said the President will lay a wreath at the Tomb of the Unknown Soldier and attend ceremonies, without making a speech himself, in the marble amphitheater.

No Big Split Between Taft and President

WASHINGTON (INS) — Republican leaders discounted today the prospect of any serious split between President Eisenhower and Senate Majority Leader Taft as a result of their expressed differences on "going it alone" in Asia.

One ranking GOP senator, friendly to Taft, but not sympathetic to his "abandon the UN" approach, put it this way:

"All of us who know Taft know that every once in a while he cracks — and that's all it means. Terrible things don't result. This will all be forgotten a week from now."

Mr. Eisenhower bluntly took issue with the Ohioan's view and warned that if America gives up its Allies in one part of the world, it would lose them in another.

In a joint announcement yesterday, Taft had proposed that the U. S. "forget the United Nations as far as the Korean war is concerned" and, if truce negotiations fail, take an independent stand in the Far East.

Farmer Killed in Truck Wreck

HARRISON (UP) — A 47-year old Ponca, Ark., farmer was killed and two boys were seriously hurt when a truck hurtled down an embankment near Jasper yesterday.

State Trooper Sgt. Charles Logan identified the dead man as Bert Christian, Stanley, 11, an adopted son, and Jackie Logan, 13, were hospitalized here.

Mrs. Ernestine Christian, 45, escaped injury. Logan said the truck's brakes apparently failed to hold on a steep grade on the Mt. Sherman road and the truck went off the road and overturned.

Three Outposts Lost as Reds Throw 15,000 Men in Twin Assaults

Resistance of RKO's Pose Big Peace Crisis

By JOHN M. HIGHTOWER

Washington (AP) — South Korea's resistance to an armistice on terms favored by the United States confronted the Eisenhower administration today with a crisis within a crisis. Some officials believe firm measures may be required to resolve the situation.

The situation was pointed out today when the South Korean government announced it would continue to boycott the truce talks unless the Allies withdraw or change their latest proposals.

Indications are that an exchange of messages in progress between President Eisenhower and President Syngman Rhee, although Eisenhower has imposed such secrecy restrictions on the whole Korean truce situation that officials declined to confirm that.

A decisive answer is due from the Communists this weekend to proposals put forward last weekend by the United Nations Command, directed by the U. S. Thus the government here is primarily concerned with the climactic stage of the prolonged truce negotiations.

Yet at this stage it is compelled to devote a considerable amount of time and attention to the threat of resistance to a truce raised by Rhee's government.

If the South Korean regime actually goes through with its declaration of intent to fight for or against the Reds for victory throughout all Korea, the result could very well be to wreck any chances for reaching an armistice, even if the Communists were willing to accept without further argument the terms most recently laid down in secret by the U. N. Command.

Members of Junior Class Named to Boys' State Parley

By JOHN M. HIGHTOWER

Four members of the Junior Class of Hope High School have been selected by local civic organizations to attend the 13th annual Arkansas Boys State, sponsored by the American Legion, at Camp Joseph T. Robinson, May 30 to June 6.

Boys selected and the organizations sponsoring them are: Gary Hattell, American Legion; John David Whitlow, Kiwanis Club; Billy Blake, Lions Club; and Albert Graves, Jr., Rotary Club.

The sending of representatives from Hope High School to Boys State is an annual custom of the above civic clubs in connection with their youth work. Selections are made from a list submitted by the faculty of boys from within the upper 1-3 of the Junior Class. The faculty bases their selections on scholastic and leadership abilities first and then sportsmanship and civility of service.

The underlying purpose of Boys State is to teach students first hand knowledge in the workings of a democratic government as it functions in the state of Arkansas and our cities and towns. The boys participate in state, county, and city elections; conduct legislative sessions, and put into practice the theories they learn by spending a week at the State Capitol in Little Rock.

Dist. Revenue Offices Are Abolished

By FRANK O'BRIEN

WASHINGTON (AP) — The new Republican administration has abolished 11 of the 17 district commissioner offices set up last year by the outgoing Democratic administration when it reorganized the Bureau of Internal Revenue.

Three new district commissioner offices have been established, dividing the nation and its territories, for tax purposes, into a new total of nine districts.

The sweeping revision of the tax bureau's top field services swept out of office John B. Dunlap, who as Commissioner of Internal Revenue supervised last year's top-to-bottom reorganization. Before the change of administration, Jan. 20, Dunlap was made district commissioner at Dallas, Tex., where he had spent most of his career in the revenue service.

Dunlap said in a letter made public here by the revenue bureau that the new reorganization would "result in great benefit to the public" and that he felt he could "bet sure to bureau" now by getting out. His shift to Dallas had brought some Republican criticism.

Dunlap resigned effective June 30. He had become Commissioner of Internal Revenue in April, 1951, in the midst of congressional investigations of the bureau.

In a joint announcement yesterday, Secretary of the Treasury Humphrey and T. Coleman Andrews, the new commissioner, said the revision of last year's reorganization would take effect July 1.

SEATTLE, Saturday (AP) — U. S. and Turkish troops pulled off Outposts Vegas and Elko last night as the big Chinese drive rose in fury along the ancient invasion road to Seoul, 30 miles to the south.

A front line dispatch said Allied artillery at once loosed a furious bombardment on the two scared heights. Chinese guns replied and the artillery duel raged beneath a full moon.

The Chinese Communists, striking with 8,500 men in the weak while mounting a 5,500-man drive in the center, thus had seized three outposts hills east of the truce town of Panmunjom. The third was Carson, which fell Thursday night.

The weary Americans and Turks pulled back on orders after more than 24 hours of bloody fighting, often with the bayonet.

Savage artillery pounding from both sides had ripped up trenches, bunkers and fox holes on Vegas and Elko.

AP Correspondent Forrest Edwards reported a five-mile front along the row of hills guarding the road to Seoul was "one big cloud of dust, smoke and exploding shells."

Marine tanks stood on the main line positions and poured hundreds of high velocity shells into the ranks of the oncoming Reds.

Waves of fighting bombers buried bombs and flaming jelled gasoline on the attackers.

Wants to Know Who Runs Kremlin

LONDON (UP) — Reliable sources said today Prime Minister Churchill suggested high-level talks with the Soviets to obtain first-hand information on who is running the Kremlin these days.

The sources said Churchill was anxious to learn whether the new Soviet leadership is as well organized as Moscow officially claims.

Direct talks with Premier Georgi M. Malenkov and other Soviet leaders might give a shrewd observer like Churchill an opportunity to establish

The sun has shone four out of five days here, and now everybody is wondering what next summer will be like. You know how the weather is. Whenever they have a beautiful day they press it between two fogs and put it in a memory book.

You were right about that tie. I should have brought it along. Burl Ives, the folk singer for dressed-up folks, invited me to a party and promised, "Royalty will be present." But on account of I brought along a black bowtie for my typewriter, but none for me, I couldn't go. You are not allowed to look on royalty in a closed place after dark unless you are in full dress, or nearly so.

Everybody in Britain is having a coronation party. The charlady who cleans my flat — her name is Mrs. Tanner, but I call her "Mama England" because she had ten kids — is all excited about her party.

It is going to be a real charladies' frolic, and I wish I could go to it.

"I clean nine offices before I come here," she said. "There are eight of us working in the building, and Saturday the governor said we could knock off at seven o'clock. He's having sandwiches in and says we're to have our pick of drinks. I may ask for whisky. I haven't made up my mind. But seven in the morning is a bit early to start a party, don't you think?"

I asked her who the governor was, and she said that is what they call their employer, "because he is a governor, after all, isn't he, as far as we are concerned?" I told her that in America the term was "boss," and she replied:

"Boss, Boss?" It is a nice-sounding word isn't it? Something of a lift to it. Boss, Boss. I rather like it."

Sometimes I think it is more than the Atlantic Ocean that separates us from the British.

Well, I just close now as I have to go and see if my coronation seat fits. They rehearse the spectators for this show, as well as the queen. More later.

From your loving husband, Harold.

more clearly who makes Kremlin decisions and to gauge the power of those in command.

High British quarters believe the struggle for power in the Kremlin by no means has been ended and they are suspicious of the present calm in Moscow.

ATTENTION! CAR AND TRUCK OWNERS

In Tuesday's paper we printed excerpts from a Bulletin published by, Department of Revenue, State of Arkansas.

Maybe you read that: It's a condensed explanation of the new Motor Vehicle Safety Responsibility Law which goes into effect — June 11, 1953.

If you want a copy of that law, please stop by our office at 210 South Main Street and we will supply you with one — FREE.

If you now have "Liability" Insurance in a representative strong company — you have nothing to fear, — you have complied with the law. If you do NOT have Liability Insurance, we will be glad to write the Protection for you. In buying protection, consider this:

1. "Buy in your home town, from a firmly established agent, experienced in the Insurance Business; — from one who can and from experience, is capable to advise you on your insurance needs; — an agent who will 'still be around' when you actually need help and one who has had experience and knows what the score is."
2. "Buy from agents who represent well known, old, strong, dependable companies, who have stood the test of time, (the kind we represent)."
3. "People won't buy gold bricks but they DO buy 'cheap' insurance."
4. "There is a difference in Insurance, Companies, policies, and claim adjustment service."
5. "Let us discuss this law with you — to see just what you really do need."
6. "Insist on being told why the price is LESS. If it's because it's worth LESS, then it's not worth it." Don't buy anything just because it is "cheap."
7. "There's scarcely a thing that can't be made a little bit cheaper and sold at a 'lower price'; with less service."
8. "Buy from the agent in your home town who helps boost your home town."

ALSO: You buy insurance for protection, but in the event you injure somebody with your car or damage their property with your car, how near is your Claim Adjuster? (We are just as close to you as your telephone.) Almost any company can write you a policy but the local agent who writes you the policy must also give you the SERVICE. In this, we are unexcelled by any agent or any company.

In event you have an accident, how long will it take you to call Chicago or any other place and how long will it take for an adjuster to get to you? Think this over in buying your protection. After all — you are not buying a policy — You are buying PROTECTION and CLAIM SERVICE.

Don't DELAY!!! It won't be long now.

Be Sure You Are Protected

"How You Played the Game"

**You In The Church
The Church In You—**
Form a combination for good. We should attend church regularly. Every man, woman and child needs the influence of the CHURCH. Be Faithful! Be a Churchman.

YOU'RE SAFE! It was a great day for Religion when the Prophet Amos discovered that there is an Umpire who passes judgment in the affairs of men. *Life is a great game, and we are all players.* It is an interesting and thrilling game if we can be sure that we have a fair chance. We will play our best if we know the Umpire is impartial; but it takes the heart out of the best player if he suspects he was called "out," when he was safe at the base. *It matters much "how we play the game."* It makes a difference how the Cosmic Arbiter calls the play.

We have a fine tradition in the great game of American Baseball. Men of integrity and intelligence call the strikes; decide who is right when the play is close. *So we rejoice that at the heart of the Universe, Justice is enthroned.* Though onlookers may jeer or call the game against us . . . we rest assured that the Cosmic Umpire will understand and call our plays with fairness. *The Judge of all the Earth will do right by His players.* On the other side, we too must keep the rules of the game. We must play fairly. We must play with our mates in good teamwork! *"When the one great Scorer comes to write against your name, it matters not if you won or lost—but how you played the game."*
